PREPARATION

1. Heat turkey taco meat according to manufacturer instructions, reaching a minimum internal temperature of 165°F. Hold hot until needed. Place tortillas in warmer or heat before needed.
2. To make salsa, combine drained black beans and corn in a large bowl. Add salsa. Mix to combine. Hold cold in the refrigerator until needed.
3. To build burritos, use a #12 scoop to portion hot turkey taco crumbles onto warm tortilla. Top with 1/4 cup + 2 tablespoons of salsa mixture.
4. Add 1 tablespoon of cheese, 1/4 cup shredded lettuce, and 0.4 oz. of lightly crushed TOSTITOS® Baked SCOOPS!® Tortilla Chips.
5. Fold and roll tortilla into a burrito, then wrap in parchment paper or foil and serve immediately
